Overview

HII Technologies, Inc. is a Houston, Texas based oilfield services company with operations in Texas, Oklahoma, Ohio and West Virginia. By focusing on the Water, Power and Safety oilfield segments, the Company is positioned to take advantage of the anticipated, significant growth in horizontal drilling and hydraulic fracturing within the United States' active shale and unconventional "tight oil" plays. The Company's frac water management segment has two subsidiaries, AES Water Solutions and AquaTex, its onsite oilfield contract safety consultancy does business as AES Safety Services, and its mobile oilfield power subsidiary operates as South Texas Power (STP). HII Technologies' objective is to bring proven technologies to these operating divisions to build a long-term competitive advantage.
