About HII Technologies, Inc. Attendance at the conference is by invitation only and interested investors should contact the conference organizers at ROTH Capital. For more information about the conference or to schedule a meeting with Victory management, please contact your ROTH representative.

HII Technologies, Inc. is a Houston, Texas based oilfield Services Company focused on Total Frac Water Management with operations in the Southwest United States. It has two supporting divisions in oilfield power management and safety services. By focusing on the critical service areas of Water, Safety and Power, the Company's bundled services approach has allowed them to become a cutting edge technology provider and cost saving solution to oilfield operators who are looking for ways to improve efficiencies in the current price environment. The Company's frac water management division does business as AES Water Solutions, Hamilton and AquaTex, its onsite oilfield contract safety consultancy does business as AES Safety Services and its mobile oilfield power subsidiary does business as Sage Power Solutions, formerly South Texas Power (STP). HII Technologies' objective is to bring proven technologies to these operating divisions to build a long-term

competitive advantage for its stakeholders. Read more at www.HIITinc.com, www.AESWaterSolutions.com, www.AquaTexUSA.com, www.HamiltonFracWater.com, www.AESSafetyServices.com and www.Oilfield-Generators.com.
